Purpose and Summary

Iowa Code chapter 259A was substantially amended by 2017 Iowa Acts, chapter 85 (House File 473), which grants the Department of Education the authority to establish frameworks for additional pathways for completion of the high school equivalency diploma. This rule making establishes those new pathways.

Both public comments were from individuals with United Way of Central Iowa and were highly supportive of this rule making. Since publication of the Notice, references to 2017 Iowa Acts, House File 473, have been updated to reflect the codification of that legislation in Iowa Code chapter 259A.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the State Board of Education for a waiver of the discretionary provisions, if any, pursuant to 281—Chapter 4.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on March 21, 2018.

The following rule-making action is adopted:

Rescind 281—Chapter 32 and adopt the following **new** chapter in lieu thereof:

CHAPTER 32 HIGH SCHOOL EQUIVALENCY DIPLOMA

281—32.1(259A) Purpose. The department may issue a high school equivalency diploma to a person who presents satisfactory evidence of having completed an approved high school course of study aligned with standards established by the state board of education by which high school graduation equivalency may be determined. The purpose of the high school equivalency diploma is to provide a credential to adults who have not graduated from high school and are unable to receive a high school diploma through traditional means but who are able to demonstrate attainment of knowledge, skills, and abilities that are equivalent to those that would be attained in a high school program of study.

This chapter is intended to implement the provisions of Iowa Code chapter 259A.

- a. Proof of age and, for an applicant under 18 years of age, consent of the applicant's parent or guardian.
 - b. For an applicant under 19 years of age, verification of nonenrolled status from the last high school attended.
 - c. Completion of a comprehensive intake by an eligible institution. For purposes of this chapter, the intake must include all of the following:

- 32.3(3)** An eligible participant who successfully completes an approved program will not be awarded a high school equivalency diploma until the participant reaches 18 years of age and the participant's ninth grade class has graduated from high school.

281—32.4(259A) By whom administered. An approved program shall be administered by an eligible institution. An eligible institution may provide one or more approved programs. The department shall maintain a process by which an eligible institution may submit an application to offer an approved program.

281—32.5(259A) Diploma, transcript, verification fees. Upon payment to the department or its designee of a fee for the actual cost of production and distribution of a high school equivalency diploma, transcript, or verification letter not to exceed \$10 per document, the department shall issue a high school equivalency diploma, transcript, or verification letter to an applicant who has achieved the minimum standards established in this chapter. Upon payment to the department or its designee of a fee for the actual cost of verification and issuance of a duplicate diploma, transcript, and verification letter not to exceed \$15, the department or its designee shall issue a duplicate diploma, transcript, or provide verification to the applicant or person authorized by the applicant to request these documents. 281—32.6(259A) Application, course, and testing fees. The applicant or the applicant's supporting agency shall pay an application, course, or testing fee to cover only necessary and reasonable testing or program costs. Fees paid directly to an approved program are considered program income and shall adhere to the federal Office for Management and Budget Uniform Guidance cost principles, as codified in 2 CFR Section 200.80.

32.7(1) Validity of test scores. Scores on an approved test shall remain valid for a period of five years from the date of the first subtest taken. If an applicant has not earned a high school equivalency diploma

within this five-year period, the applicant must retake any expired subtest. The only exception is for test series that expire prior to the five-year period, in which case all previously taken subtests are void and must be retaken.

32.7(2) Retest. Any applicant not achieving the minimum standard test score on any subtest in effect at the time of testing shall be permitted to apply for retest. Applicants may retest twice per calendar year, provided one of the following conditions is met:

- a.* A period of three months from the date of initial testing has elapsed; or
- b.* The applicant completes instruction in an adult education and literacy program in each subject area to be retested. This instruction shall be certified by an official of the adult education and literacy program provider to the test administrator authorized to release the retest.

281—32.8(259A) High school equivalency diploma program based on attainment of high school credits. The department shall award a high school equivalency diploma to an applicant who demonstrates completion of an approved program consisting of at least 36 high school credits. The approved program shall be inclusive of the graduation requirements established under 281—subrule 12.5(5) and consist of at least eight high school credits in English or communications; six credits in mathematics; six credits in science; six credits in social studies, including government; and ten elective credits that meet the requirements of subrule 32.8(4).

32.8(1) Award of prior credit. The applicant shall provide certified, translated transcripts from any Iowa school district, accredited public or nonpublic high school, or regionally accredited college or university to document completion of credits earned that are equivalent to those required in an approved program established under this rule. Additional documentation may be requested to validate credits earned.

32.8(2) Minimum participation requirement. An eligible applicant must demonstrate competence through continuous enrollment in an approved program for a minimum of two high school credits.

32.8(3) Minimum graduation requirements. If the applicant is not continuously enrolled in an approved program, the applicant will become subject to the minimum graduation requirements applicable to the date of reenrollment.

32.8(4) Electives.

- (1) Civic literacy;
- (2) Health literacy;
- (3) Technology literacy;
- (4) Financial literacy;
- (5) Employability skills.

b. Work-site learning may be counted toward an elective, under the following conditions:

Credit earned for prior work-site learning shall not be counted toward the minimum participation requirement, as described in subrule 32.8(2).

(2) Current work-site learning shall be evaluated using a state-developed assessment tool and may be awarded a maximum of two high school credits. Credit earned for current work-site learning may be counted toward the minimum participation requirement, as described in subrule 32.8(2).

32.8(5) Postsecondary credit. Credit awarded by a regionally accredited postsecondary institution for the successful completion of a course that applies toward the requirements of a postsecondary credential, including but not limited to a certificate, diploma, or associate, bachelor, or graduate-level degree program, shall be accepted to fulfill the requirements for the satisfactory completion of a program as follows:

a. One postsecondary semester credit or its equivalent shall be equal to one-third high school credit. The resulting high school credit can be used to satisfy either a core or elective credit requirement of an approved program.

b. Twenty contact hours of noncredit postsecondary coursework shall be equal to one-third high school credit provided the coursework is aligned to regional career pathways and occupational needs. This credit can be used to satisfy an elective credit requirement of an approved program.

281—32.9(259A) High school equivalency diploma program based on postsecondary degree. The department shall award a high school equivalency diploma to a resident applicant who presents an associate degree or higher that includes general education coursework and is awarded by a regionally accredited postsecondary institution. The applicant must provide official transcripts to an adult education and literacy program to document completion of program requirements.

281—32.10(259A) High school equivalency diploma program based on foreign postsecondary degree. The department shall award a high school equivalency diploma to a resident applicant who presents a postsecondary degree equivalent to an associate degree or higher, provided that the following conditions are met:

32.10(1) The applicant presents to an adult education and literacy program an official transcript from an institution of higher education attesting to the completion of the program of study required for the postsecondary degree.
